To partner with Drenda and Faith Life Now, simply go to [www.Drenda.com](http://www.Drenda.com) and click “partner” or call 1.877.894.3848.

As a Warrior Partner, you will hear from Drenda about what’s happening on the homefront and what God has laid on her heart in a monthly partner letter and through free downloadable teachings. You will also have opportunities to be a part of *Drenda* show tapings, and receive new updates on ways to help stop sex trafficking, and more. But most importantly, as a partner, you will be fighting for the hurting girls and women who don’t have a voice of their own. Thank you so much for joining us in this fight against oppression. *Together, we can!*

HEART OF A

# helping hurting women together.

FOR THE CHURCH'S SAKE I WILL NOT KEEP SILENT, FOR MY COUNTRY'S SAKE I WILL NOT REMAIN QUIET,  
TILL HER VINDICATION SHINES OUT LIKE THE DAWN, HER SALVATION LIKE A BLAZING TORCH. - ISAIAH 62:1

## OUR MISSION

We exist to help women realize they can love and be loved; to show them how to be whole spiritually, emotionally, relationally, physically and financially; to help them find meaning and purpose that will fulfill their inner longings; and to inspire the men in their life to fulfill their mission, as well.

## OUR VISION

- To produce relevant media in the secular arena so we can reach women who are unreached by other Christian mediums.

Currently, the *Drenda* program has more than 51,000 households tuning in to watch on ABC Family Network. In its very first season, *Drenda* is seeing amazing feedback and lives changed.

- To create media available online and through Bible studies that can mentor the next generation for revival and greatness.

Thanks to the success of *Drenda's* first book *She Gets IT!* many women have been changed. And they're asking for more. New resources and curriculum are on their way as God brings partners to support this vision.

- To create live events and encounters with God through conferences and other special times.

Faith Life Now and *Drenda* Keesee Ministries host events like the *So Get This* Women's Conference, as well as other encounters around the country and overseas.

- To support the emancipation of women who are held in captivity by sex-trafficking, prostitution and other bondages.

We have partnered with an organization called Stella's Voice, as well as with local organizations, and through the faithful support of our partners we have already sent tens of thousands of dollars to help stop sex trafficking, one girl at a time.

## WHAT PEOPLE ARE SAYING

"The one thing I liked best about your program is that it's so real, no masks, or pretensions. Your ability to be open, honest, caring, humorous and very sincere will draw many people to Him."

"I wanted to tell you that my heart's ministry is for the sex trade and drug addiction. I had a 32-year addiction and also was a prostitute. My heart cries for the enslaved girls and boys trapped, forced to do acts that I know very much about; children as young as 4-yrs. old should never have to experience such things. I cry for them, *Drenda*. I was very much in the pit, as far as someone could get. Disgusting things that I thought didn't bother me. I was wrong. I support your show because if there had been a show like yours back then to let women know what they were really created for, maybe if I had seen your show, well who knows, it might have made a difference..."

DEAR WARRIOR,

What can God do with a few dedicated people who gather around His mission? Nehemiah set out to rebuild the walls of Jerusalem. He and His people faced many challenges, but they did, "Arise and build," as they answered the call to make a difference. I want women like the former prostitute, who wrote the above letter, to know there is a group of women and men who are "warring and working" on their behalf to rescue them and rebuild the foundations of decency and family in our nation and across the world. The giants look big, but we must have courage to war and to work for their sake. Will you join me?
